EXECUTIVE ORDER NO. 17
Series of 2022

**AN ORDER RECONSTITUTING THE COMMITTEES / TEAMS ON THE
STRATEGIC PERFORMANCE MANAGEMENT SYSTEM (SPMS)
OF THE CITY GOVERNMENT OF IMUS**

WHEREAS, the Civil Service Commission, as the central human resource management agency of the Philippine bureaucracy is constitutionally mandated to adopt measures to promote morale, efficiency, integrity, responsiveness and courtesy in the civil service. It is likewise tasked to institutionalize a management climate conducive to public accountability.

WHEREAS, among the Mandatory Human Resource System under the Revised Administrative Code of 1987 is the Performance Evaluation System which shall be administered in accordance with rules and regulations and standards promulgated by the Commission. Such performance evaluation system shall be administered to continually foster the improvement of individual employee efficiency and organizational effectiveness.

WHEREAS, through the years, the CSC has implemented several performance evaluation/appraisal systems. These systems, however, focus only on individual appraisals which are pre-requisites for promotion and other personnel actions including separation and performance based incentives. The link between appraisals and personnel actions and incentives and the lack of a parallel system to enable validation/comparison between organizational effectiveness and employee performance resulted to low system integrity due to its unreliability and subjectivity.

WHEREAS, to address the gaps and weaknesses found in previous performance evaluation systems, the CSC pilot tested the Strategic Performance Management System or the SPMS. The SPMS gives emphasis to the strategic alignment of the CSC's thrusts with the day to day operations. The SPMS focuses on measures of performance results that are reviewable over the period of the implementation of the CSC road map vis-à-vis targeted milestones and provides a scientific and verifiable basis in assessing organizational performance and the collective performance of the individuals within the organization.
